Consent for Services

By signing below I agree to the following conditions of this class:

This baby massage program is founded on respect of the baby's needs. Parents and caregivers of the baby are taught to allow the baby to guide the massage by watching for baby's cues. The parent or caregiver will learn to move slowly in a way that is supportive of the baby's nervous system with a primary goal of creating positive interaction between the baby and her caregiver. It is the participant's responsibility to apply the safe and respectful techniques taught in this class. Young Child Institute will provide a skilled instructor for this class. She will create a safe and comfortable environment for the participants to learn this loving and nurturing massage that will bring lifelong benefits to their baby. This class does not substitute for appropriate medical attention and ongoing consultation with the child and family's medical providers.
